Every space has a story to weave

Trenza recalls woven textile and an endless intertwining of stories, connections, and life paths. More than just an acoustic panel, it is a sculptural decorative element with a soft, flowing appearance that brings warmth and refined aesthetics into a space.

Designed for wall installation or suspension above a table, its modular system allows for easy customization into a variety of dimensions and compositions.

Exciting colours

Trenza is so beautiful in all available colours that everybody has the same problem: which one to choose. Some prefer it black or white to blend it in discretely. If you want to have an eye-catching element in the space, then dare to choose the more intensive ones.
