At the heart of Duresta is a talented team of hardworking creative designers and expertly skilled upholsterers. We celebrate our collective wealth of knowledge, skill, and creativity by producing the finest quality furniture.

My Duresta journey started in 1979 as an apprentice in Long Eaton. It was the only place to be taught every aspect of making traditional, handcrafted quality furniture, and this still holds true to this day. After 45 years I am still learning every day.

Upholstering at Duresta is still a passion of mine, and my aim is to produce the very best furniture possible. *Only when you produce quality, do you understand quality.* And, I would like to leave a legacy of quality and design for any future upholsterers.

Dale Corner, Duresta Master Craftsman - Upholstery

Duresta has always been at the forefront of opulent furniture design.

Our outstanding team of creative designers push the boundaries of the 'art' of elegant, unique and unrivalled furniture design. Producing magnificent furniture that never compromises on comfort.

Design, Comfort and Form

We have been handcrafting the finest furniture in Nottinghamshire, since 1938. Since then Duresta has been the brand of choice for prestigious, luxurious designs; creating exquisite furniture that stands the test of time.

An opulent sofa with a luxurious look and feel, Hornblower is an iconic design. The Hornblower is deeply rooted and inspired by classical English history, featuring traditional drop down arms and tiebacks.

Hornblower

The Hornblower Range

Lower the beautiful traditional style drop arms and lounge in sublime comfort. With a carefully curated range of tieback options, you can design Hornblower to suit your unique style and tastes.

The handmade touch

All Duresta collections are meticulously handcrafted in our Nottinghamshire factory. Handcrafted with unparalleled attention to detail from our skilled upholsterers, Duresta embodies the essence of true British craftsmanship.

We have been champions in upholstery for almost 90 years. Throughout this time we have perfected furniture making techniques, evolving in line with the latest technologies, crafting luxurious furniture efficiently and effectively.

With stylish tapered arms, a traditional high back, and beautifully turned legs, Horatio is the height of elegance. Pair with Hornblower or Trafalgar for a look that truly celebrates classic English design.

A Collaboration in Textiles

'To develop a collection for the Duresta brand is a truly special experience. Encapsulated in the brand's deep history of craftsmanship and artistry, the approach to fabrics becomes intertwined and inherent to the very nature of our product and of its story!'

At Duresta we have the fortune to source textiles from specialists across the globe. We have developed strong, meaningful relationships with weavers who understand our brand and collaborate with pride to become part of the product we present to you. From this, we bring the very finest of fabrics to market.

We invest in a collection with a sense of the Atelier, bringing artistry in jacquard velvet, spray dyeing, metallics and specialist yarns to assemble products that are unique. We meet with the best suppliers, enabling us to engage in the latest trends and embrace their expertise, in harmony with our own creative.

And from this the journey begins. Working towards a collection that combines our love of making genuine British designed furniture with our passion for special textiles.

Jo Godfrey, Head of Creative.

The Belvedere is a classic design with a wealth of traditional features and fine English styling, from the elegant scroll arm to the beautiful castored wooden feet. Bring luxury and sumptuous seating into your living space with the Belvedere range.

Craft that simply cannot be rushed.

Connaught is a signature Duresta classic, and its upholstery technique is nothing short of flawless.

Starting its journey with a solid wood frame and building it up layer by layer. Comfort is key with Connaught; layers of our high-quality foam is placed over the arms and back. To ensure we keep the iconic Chesterfield style back the materials are pre-drilled, allowing the back buttons to perfectly align, creating a stunning design.

The fabric or leather is expertly marked for the upholsterer, ensuring it is placed centrally onto the furniture and perfectly aligning with the pre-drilled materials in preparation for the buttons to be attached. Once the upholsterer is happy with the tension of the fabric or leather, each button is tied off twice, securing them into position. Next, the beautiful, pleated arm and back details are tirelessly arranged individually. The upholsterer will then assess their work and if they are completely satisfied, our high-quality coil spring units are fitted in readiness for the sumptuous goose feather or optional seat cushions.

Sit back and relax with the charming Alex range. This design is understated and stylish, with a timeless quality. Alex will complement any décor and scale of living space.

Alex

Alex Large Sofa in Camilla Damask Silver with two small scatters in Camilla Trellis Silver. Ebony legs.

The Alex Range

At Duresta we specialise in matched fabrics. Our talented in-house team skilfully align and cut the fabric to ensure the beautiful designs within our luxurious fabrics run seamlessly throughout the furniture.

Steeped in history, Harrington Mill, Long Eaton, is the furniture making hub and a place we're proud to call home.

Since being built in 1885, Harrington Mills - originally a lace-making mill - has been at the heart of the furniture industry. In 2023 we returned to our 'home', building a beautiful trade only showroom to house all our luxurious furniture.

Now, we have opened two additional showrooms in the heart of Nottingham City Centre and Islington, London.

Indulge in magnificent furniture, unique designs and beautiful fabrics - transform your home with Duresta. Book your showroom consultation today and be guided by our Duresta experts. Scan the QR code to book an appointment.

Fabric Information

At Duresta we have the fortune to source textiles from specialists across the globe. We meet with the very best suppliers to bring you a collection that combines our passion for British furniture making with our passion for the finest textile design.

Fabric Characteristics

Our collection offers a wide range of fabric styles from luxury plain and jacquard velvets, artisanal design and contemporary plains. We offer fabrics to suit all styles. Some of the fabrics offer have natural and organic features like knots, slubs and irregularities, which should be regarded as part of the fabrics inherent character. We also offer artisanal fabrics we are painted, sprayed or finished by hand. Due to these unique processes each batch may have individual colour tolerances. Please be mindful that some fabrics will perform differently across seat and back interiors and may alter your seating experience. For further support please contact Duresta or speak with your retailer.

Fabric Samples

Duresta invites you to enjoy our free sample service. Although we take every care to ensure quality and colour consistency, samples should be regarded as a guide, as there can be slight variance between batches. You can request complimentary samples via our website visit [DURESTA.COM](https://www.duresta.com)

Velvet & Chenille Fabrics

We have an extensive range of velvet and chenille fabrics within our collections. Fabrics with a pile can become flattened or crushed. This is a characteristic of pile fabrics and shouldn't be regarded a flaw. Care should be taken not to leave heavy objects on pile fabrics as this can leave an impression.

For further information on high pile fabrics please visit [DURESTA.COM](https://www.duresta.com)

Fabric Use

Most of our fabrics are suitable for general domestic use; meaning they pass British standards for fire regulations and performance testing. Some fabrics are only available for use on occasional chairs, footstools, scatter cushions, and/or piping. Information regarding suitability is indicated on the reverse of each swatch. You can also view the fabric suitability at [DURESTA.COM](https://www.duresta.com)

Cleaning Advice

Our diverse fabric range means that care should be taken regarding the appropriate cleaning of your furniture. You should not wash your fabrics. We recommend that you contact a professional upholstery cleaning service if your furniture requires cleaning.

Harvard Fabric Configuration

Add a touch of grandeur to your home with the beautifully elegant Harvard collection. Designed with deep, luxurious seats and sumptuous arm pads.

The Harvard model has been designed to have specific fabric configurations, as outlined below. Please see model specification for inclusive scatter quantities.

Additional scatter cushions are available in the prescribed options shown below.

	Body Fabric	Piping	Ruche Trim (If Selected)	Inclusive Scatter Fabric

 - Duck Feather or Fibre filling
 - Self or contrast piped
 - Fabric and leather available

Pinwheel Scatter
 - Fibre filling only
 - Fabric Only
 - Harvard Collection only

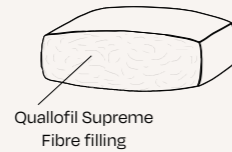

Interiors, woods, metal studs, tiebacks, grosgrain

Cushion Fillings

When purchasing your Duresta furniture, it's incredibly important to choose the right type of filling for your seats, backs, and scatter cushions to ensure optimal comfort for you. The filling you choose for your seat and cushions can make all the difference. Below is a guide to help inform your choice.

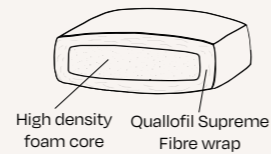

Fibre:

- Man-made synthetic material
- Plump appearance
- Deep, soft comfort
- Non-allergenic
- Must be plumped up regularly

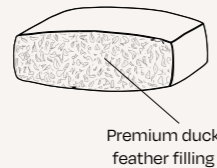

Supawrap:

- Foam core with fibre wrap
- Resilient
- Non-allergenic
- Requires little attention to retain appearance
- Provides the support of foam and the softness of fibre

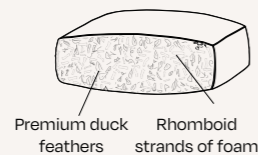

Feather:

- A natural filling that offers a "sinking in" feeling
- Soft, relaxed solution
- Daily plumping is required to retain shape
- Becomes softer with use
- Please note this interior is substantially heavier than any other interior which some customers may struggle to handle

Duraluxe:

- Channels of rhomboid strands of foam, together with duck feathers
- Aesthetic and comfort of a fibre or feather cushion, whilst retaining durability
- Regular shake and turning of the cushion
- will help retain definition
- Exclusive to Duresta

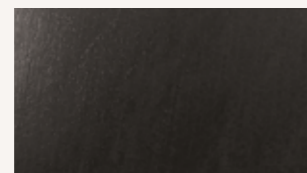

Wood Finishes

The following wood finishes are available on legs and feet where applicable, see Options & Specifications page 140-141. You can also choose these wood finishes for finials and tie-back shrouds on the knole models in our collection.

Antique

Ebony

Macassar

Umber

Walnut

Solid Walnut

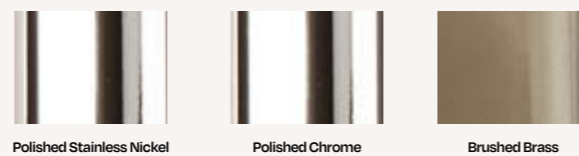

Distressed Beech

Metal Finishes

The following metal finishes are available on our solid brass castors, hinges on our knole models, and metal finishers on certain leg styles. See individual product specifications for available finishes specific to each model:

The following metal finishes are available on our steel legs, steel castors and plinths. See individual product specifications for available finishes specific to each model:

Metal Stud Finishes

Certain models in our collections are available with metal studding (see the options table on previous page). The following finishes are available to choose from in two sizes:

Grosgrain Piping

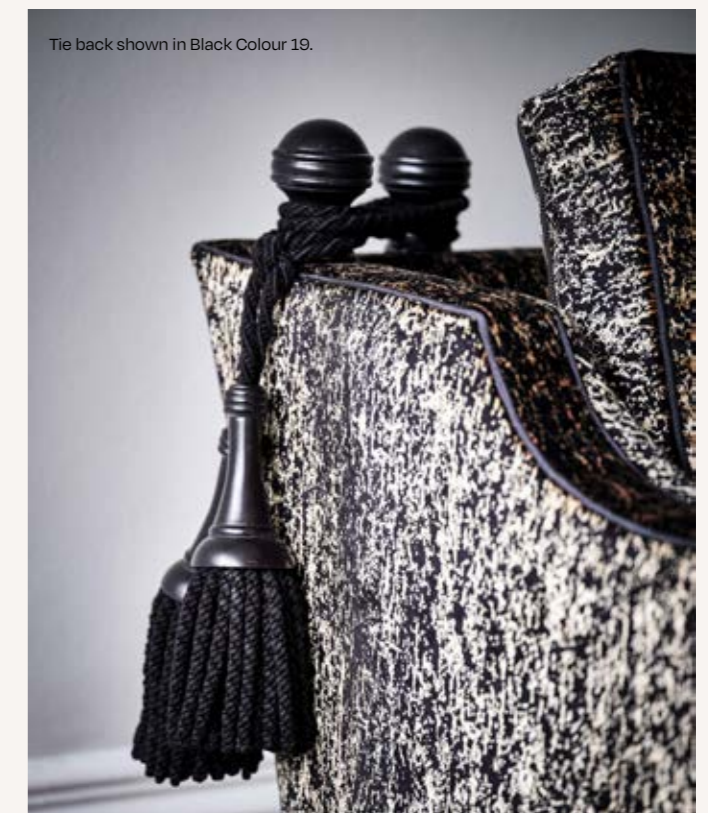

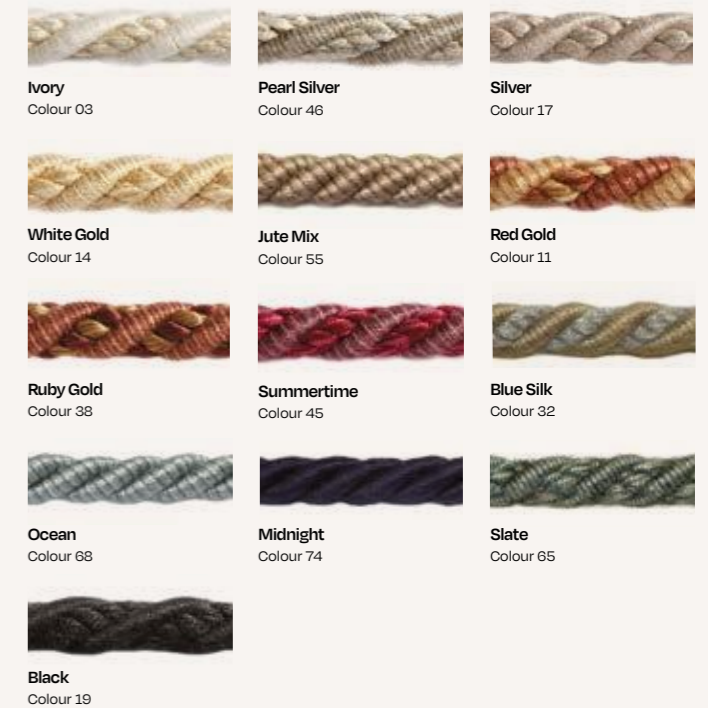

Grosgrain is a 100% polyester ribbon. Grosgrain piping can be selected as contrast piping for your sofa, footstool and/or scatters, and is suitable for use as piping only. Grosgrain is not available on the following piped models: Harvard and Belgrade (see page 139). The following models are non-piped and therefore Grosgrain cannot be specified: Soho, Carnaby Chair and Lewis Stools. If you do not wish to pipe in grosgrain you are able to choose a fabric from the swatch books.

Grosgrain piping shown in Black Colour 990.

Tie Back Options

The following colour options are available for the tie backs on drop arm models; Trafalgar and Hornblower. Please ensure your preferred tie back colour has been selected when placing your order. Where appropriate, we recommend a tie back colour for each Duresta fabric.
